

**11 Feb 24**  
**Meeting 4**  
**Suffered Death...Rose Again**

1. In today's Gospel ([Mk 1:40-45](#)), Jesus heals a leper, which could not have happened using medicine of that day. How does this healing relate to the death and resurrection of the Lord? Is this a divine quality of Jesus or a human quality based on faith in God? (See [Mark 11:12-14, 20-24](#)).

**IN BRIEF 619-623**

2. What does "Christ died for our sins" mean? What do the following terms tell us about this death?

- "Expiation" and "Reconciling" – para. 620,
- "offered" – para. 621,
- "redemption" and "ransomed" – para. 622,
- "atoning" – para. 623)

**IN BRIEF 629-630**

- 3. Can we say rightly that the Son of God tasted death?
- 4. Bodies begin to decompose quickly after death; to what do we attribute the preservation of Jesus' body? (hint: also para. 627)

**IN BRIEF 636-637 (Descent)**

- 4. What is the Descent into Hell? See [1Ptr 3:18-22](#)
- 5. Why was it necessary for our salvation and what did it accomplish?
- 6. What is hell?

**IN BRIEF 656-658 (Resurrection)**

- 7. In what way is the Resurrection historic? How does it match up to historical accounts of other well-known figures over the ages?
- 8. Why is the Resurrection necessary for our salvation? In what way? See para. 658 also see [Rom 6:4ff.](#)
- 9. What is the connection between the Death and Resurrection? See [Rom. 4:25](#)
